# Thieme Clinical Collections – experience Thieme’s essential clinical resource

The screenshot displays the Thieme Clinical Collections website. The header includes the Thieme logo and 'Thieme Clinical Collections'. Below the header, there are navigation links for 'HOME', 'RESOURCES', 'HELP', and 'MY ACCOUNT'. A welcome message reads 'Welcome to MyLibrary, Your own tailored eContent resource library.' Below this, there are links for 'Return to Product Detail' and 'Learn about our new features! Find out more >'. The main content area shows a book detail page for 'PET and PET/CT: A Clinical Guide'. The left sidebar contains a 'Bibliographic Details' section with the book title, authors (Lin, Eugene C.; Alavi, Abbas), ISBNs, and subject classification. Below this are options for 'Citation', 'Export to RefWorks', and 'Export to EndNote'. A 'Notes' section is also visible. The main content area features a grid of medical images, including PET and CT scans of a liver. A 'Clickable TOC' (Table of Contents) is shown on the right side of the page, listing chapters such as 'Cover', 'Dedication', 'Preface', and 'Spine' with sub-chapters like 'Cervical Spine, Sagittal' and 'Lumbar Spine, Axial'. Callout boxes point to various features: 'Reference tools' points to the left sidebar; 'Add/view notes' points to the 'Notes' section; 'Search across the Collections or by keyword within each title' points to the search bar; 'Suggest a title' points to the 'Suggest a title' button; 'Personalized accounts' points to the 'MY ACCOUNT' link; and 'Clickable TOC' points to the table of contents on the right.
