

Consent Form for Collection and Use of Personal Information by STUST Library

Southern Taiwan University of Science and Technology Library provides this notice in accordance with the Personal Information Protection Act, Article 8 to ensure the protection of personal information, please read the following information carefully.

If you are under 18 years old and the child of STUST faculty, staff or students, your legal representative should read, understand and agree with all content of the consent form specified below:

1. Purpose of collection and types of the personal information

In order to process and administer library businesses, we have to collect your personal information including names, card numbers, identifying number, telephone numbers, home addresses, and e-mail addresses.

2. Time period, scope and use of personal information

- (1). All information collected will be used appropriately within the scope of reasonable purposes and not go beyond the necessary time and purpose of collection.
- (2). The library will use personal information for services, relevant business contacts, notices and statistical analyses.

3. Providing personal information

You have the right to withhold your consent to the collection. However, if you withhold your consent, you will not be able to use the library. If the information is found to be insufficient, misused, stolen or incorrect, you will also be unable to use the library..

4. Personal information protection

The information that you have disclosed to us will be handled responsibly. We will not disclose your personal information to any third parties or use for other purposes, except as permitted by law or with your consent.

We reserve the right to amend this notice, if you do not raise objections or continue using our library services, you agree with any changes we made to this notice.

STUST Library

Consent for Collection and Use of Personal Information

I have reviewed the above information and consent to STUST Library's collection and use of my personal information.
